<b>VILLAGE OF WILLOW SPRINGS, ALAN</b>	)	<b>Judge Grady</b>
<b>NOWACZYK, and ANNETTE KAPTUR,</b>	)	<b>Magistrate Judge Nolan</b>
	)	
<b>Defendants.</b>	)	

**DEFENDANTS' MOTION FOR SANCTIONS**

NOW COME Defendants the Village of Willow Springs, Alan Nowaczyk, and Annette Kaptur, by and through their attorneys, Odelson & Sterk, Ltd., and move this Honorable Court for a order granting them sanctions against plaintiff Susan Fredrickson and her legal representatives for violation of Rule 11 of the Federal Rules of Civil Procedure. In support of their motion, defendants state the following:

1. On October 31, 2007, plaintiff filed a six-count complaint against defendants alleging that defendants violated her civil rights and committed various common law torts against her when she was unlawfully removed from her position as the Willow Springs Village Clerk. See Plaintiff's Complaint, par. 14. ("Complt., par. \_\_.")

2. Plaintiff alleges that she was the Village Clerk from 1995 until her removal on or about July 13, 2007. Complt., pars. 7-8. She further claims that defendants Nowaczyk and Kaptur were elected as Village President and Village Trustee in April 2005. Complt., pars. 5-6, 10.

3. In support of her claims against defendants, particularly the claim that she was unlawfully removed from the Village Clerk position, plaintiff asserts that the office of the Village

Clerk at the time of her removal was elective in nature. Plaintiff further contends that the Village Clerk “has the same four year term of office as the Willow Springs President, a/k/a Mayor, and is only replaceable through the electoral process.” Complt., par. 8.

4. Plaintiff’s assertion that her position was elective in nature is completely false. There is no legal or factual basis to make such a claim. The Village Clerk has been appointed on an annual basis since 1988. As demonstrated below, plaintiff and her counsel knew that the claim was false at the time that they drafted, signed, and filed the complaint. At the very least, they should have known that it was false based on any reasonable inquiry into the facts and law purportedly supporting their complaint as required by Rule 11(b).

5. First, plaintiff never alleges in the complaint that she was, in fact, elected to the Village Clerk position.

6. Furthermore, Village documents clearly demonstrate that plaintiff was aware throughout her employment that the Village President annually appointed her to the Village Clerk position. See Village Meetings Minutes, attached hereto as Group Exhibit A. The minutes prove that the Village Board of Trustees voted to approve the Village President’s appointment of plaintiff to the Village Clerk position for one-year terms on, at least, the following dates: May 11, 2000; June 28, 2001; June 13, 2002; May 8, 2003; May 13, 2004; and October 20, 2005. Except for the meeting in 2001, plaintiff was present for all of these meetings and actually signed the minutes as the Village Clerk.

7. In other Village documents, plaintiff, in fact, certified that she was the “appointed” Village Clerk. On December 21, 2006, plaintiff signed as the Village Clerk, the “Certificate of Publication of Ordinance” for Village Ordinance No. 41-O-2006. See Ordinance and Certificate of

Publication, attached hereto as Group Exhibit B. The signed Certificate, which also contains the seal of the Village of Willow Springs, states, “I, Susan Fredrickson, certify that I am the duly **appointed** and acting Village Clerk of the Village of Willow Springs, Cook County, Illinois.” (Emphasis added.) Ex. B.

8. Finally, plaintiff’s contention that the Village Clerk is elected in Willow Springs is inconsistent with Illinois law and the Willow Springs Village Code. Section 3.1-25-90 of the Illinois Municipal Code states that “[a]ny village of fewer than 5,000 inhabitants may, by resolution adopted by not less than two-thirds of the village board, choose to have a clerk appointed by the village president with the concurrence of the village board.” 65 ILCS 5/3.1-25-90(a). Between 1980 and 1990, the Village had a population of less than 5,000 inhabitants. See Census 2000 PL 94-171 Regional Report, attached hereto as Exhibit C. On January 14, 1988, the Village Board of Trustees passed Ordinance 88-0-1 which amended Section 1-5-2 of Title I, Chapter 5 of the Village Code and provided for the appointment of the Village Clerk by the Village President with the advice and consent of the Village Board. See Ordinance 88-0-1, attached hereto as Exhibit D. Although the 2000 Census indicates that the population of the Village went over 5,000 inhabitants by the year 2000, no referendum has been passed restoring the Village Clerk position to an elected position. Such a referendum is required by the Municipal Code which further states, “[i]n any village where the clerk is appointed as provided in this Section, the clerk may later be elected, but only after a referendum initiated and held as provided in this Section.” 65 ILCS 5/3.1-25-90(b). No such referendum has been initiated by the electors, and the Village Clerk remains an appointed position as indicated in the documents referenced above. Plaintiff was subject to removal at all times similar to any other appointed officer.

9. Plaintiff and her counsel violated Rule 11 when they filed the complaint with these false allegations and unsupported claims. Rule 11(b) states, in relevant part:

“(b) Representations to the Court. By representing to the court (whether by signing, filing, submitting, or later advocating) a pleading \* \* \* an attorney or unrepresented party is certifying that to the best of the person’s knowledge, information, and belief, formed after an inquiry reasonable under the circumstances, –

\* \* \*

(2) the claims, defenses, and other legal contentions therein are warranted by existing law \* \* \* ;

(3) the allegations and other factual contentions have evidentiary support \* \* \* .”

FRCP 11 (b).

Any reasonable inquiry into the facts purportedly supporting the claims would have revealed that plaintiff was always the appointed Village Clerk and not elected. All of plaintiff’s counts rely on the false statement that she was elected to the Village Clerk position and illegally removed.

10. Counsel for defendants have repeatedly informed counsel for plaintiff of the false nature of plaintiff’s allegations and misstatements of law. Plaintiff and her counsel, however, have refused to withdraw or amend her complaint. Defendants, therefore, have been forced to prepare a Motion to Dismiss the false and frivolous claims, and they are entitled to an award of reasonable attorneys’ fees and costs under Rule 11. FRCP 11(c). The Seventh Circuit has approved an award of fees and expenses for failing to properly investigate facts and filing unsupported and frivolous claims. See Nisenbaum v. Milwaukee County, 333 F.2d 804 (7<sup>th</sup> Cir. 2003) (the plaintiff violated Rule 11 when he sued the county and others for violation of his First Amendment rights claiming-

without support-that he was fired because he ran for office).

11. In accordance with FRCP 11, a copy of defendants' motion for sanctions was served upon plaintiff's counsel on November 30, 2007. On December 27, 2007, defense counsel sent correspondence to plaintiff's counsel in reference to the motion for sanctions and requested a response from plaintiff as to whether or not plaintiff would be seeking to amend the complaint. Plaintiff's counsel did not respond to defense counsel's correspondence.

**WHEREFORE**, defendants, the Village of Willow Springs, Alan Nowaczyk, and Annette Kaptur, respectfully request that this Honorable Court enter an order finding that plaintiff and her counsel have violated FRCP 11 and awarding defendants reasonable attorneys' and costs and any other appropriate sanction or relief.

Respectfully submitted,

Village of Willow Springs

Annette Kaptur

Mr. Walsh suggested a sewer impact fee of \$2,500.00 of which \$1,500.00 is earmarked strictly for repair to the lift station. The four homes would use the lift station and the extensive sewer lines would not be needed. John Hoefflerle will obtain a summary of the lift station from the Metropolitan Pump and a quote to revamp the station.

Discussion was held regarding the installation of new water lines under Willow Springs Road to service the industrial park. Discussion on the cost difference between a new sleeve cut verses a finding an open sleeve cut from IDOT.
